COURSE DESCRIPTION

This course will help you develop an understanding of FASHION and the TEXTILE and APPAREL INDUSTRIES. We will apply knowledge of fibers, fabrics and design when working on projects. We will look at history of fashion and see how it influences our current fashion designs. We will analyze factors that impact consumer purchases. We will look at proper care and maintenance of apparel. Apply principles of design when creating our sewing project, and we will practice our 21st century skills including oral presentations, group collaboration, and computer applications.

MAKE-UP WORK POLICY

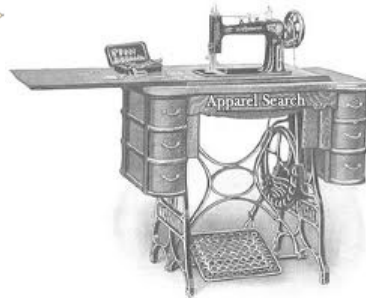

If you are absent you must see me to get your work. Make-up work is due the second class meeting after the absence. **IF YOU MISS A TEST, YOU MUST SET UP A TIME TO MAKE UP THE TEST!** It is your responsibility to get missed work and turn it in on time.
