COURSE DESCRIPTION

This course will help you develop an understanding of INTERIOR DESIGN and HOUSING. We will gain knowledge in period styles, space utilization, lighting, interior finishes, accessibility, housing trends and budget issues. We will look at principles of design in many areas. We will gain knowledge of furniture and factors that affect cost in design. We will learn skills in drawing and measurement, applying principles of design when creating our design projects and assignments. In preparation for our future business practices, we will include oral presentations, group collaboration, and computer applications.

MAKE-UP WORK POLICY

If you are absent you must see me to get your work. Make-up work is due the second class meeting after the absence. **IF YOU MISS A TEST, YOU MUST SET UP A TIME TO MAKE UP THE TEST!** It is your responsibility to get missed work and turn it in on time.

CLASS EXPECTATIONS

Please be aware of project deadlines and work towards them.

Also, please put classroom supplies back and clean up your area before the bell.
